Expectations

- Be kind, supportive & respectful.
- Come to class on-time & prepared to participate.
- Complete homework, ask for help, and keep organized.

Assignments will be posted to **Google Classroom** daily. Students should check there for assignments when absent.

Assessments and Grading

- Students will have a homework assignment daily. Homework must be completed with quality work shown to receive full credit. Each homework assignment is worth a maximum of 5 points.
- Students will be required to keep a notebook and bring it to class daily. Notebook checks will happen at the conclusion of each module (unit) and each check is worth 5 points.
- Each module will have a written assessment. Students will be able to use their notebook on their test. Each test is worth approximately 80 points. All work must be shown on a test as well.
- Occasionally a project may be given. Students will receive a rubric with grading criteria related specifically to the project at the time the assignment is given.

LATE WORK & MAKE-UP WORK

Students may receive half-credit for any assignment turned in the day after the original due date. After that, no work will be accepted for credit. Students who are absent will receive up to 3 days after they return to school to turn in any missed assignments.

Technology Policy

Please bring your Chromebook (charged) to class every day. No other technology is needed. Please put all phones in your backpack – out of sight. If you are on your phone or smartwatch (texting), your device will be turned into the office and a write-up will occur.

Daily Supplies

- Pencils
- Binder or Notebook
- Textbook
- Homework
- Calculator
- Chrome Book (charged)

HELP

Students who need help will be able to meet with me on A,C,E days during 7th period. All students have enrichment during that time.

Outside of that, I am available by appointment. Please reach out if you have questions or concerns.
